NOTICE

The permit will become null and void if work or construction authorized is not commenced 180 days or if construction or work is suspended for a period of 180 days at any time after work commenced.

By signing below, I hereby verify that I have read and examined this application and know the same to be true and correct. All provisions of law and ordinances governing this type of work will be complied with and whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other State or Local Law regulation construction or the performance of construction.

All construction and sub-contractors are required to be licensed in Dunes City and with the Oregon Construction Board under (ORS701). If applicant is exempt from licensing, the following applies.
