Required Electrical Inspections

APPROVED PLANS MUST BE KEPT ON THE JOB SITE.

GIVE 24 HOURS NOTICE FOR INSPECTION REQUESTS. PLEASE CONTACT US AT 541-997-3338.

Call for the following inspections when the work is completed, but prior to covering up any work which is to be inspected:

Electrical Inspection

Call at least 24 hours ahead of requested electrical inspection. Please have this information available:

1. Date of requested inspection
2. Permit Number
3. Type of Inspection
4. Address
5. Your name, or the name of your company
6. Your phone number, and or the company or client's phone number

The Electrical Inspector: Conducts inspections on Wednesdays & Fridays.

Electric Permits: are NON-REFUNDABLE and NON-TRANSFERABLE. You must call for an inspection within 180 days from the date you purchased your permit or 180 days between inspections leading up to the final inspection.

Owner Installations: Homeowners may only do work on property they own and which is not intended for sale, lease, or rent, within 2 years of the work being performed.

All Commercial Property Electrical Work: Must be performed by a licensed electrical contractor.

Inspections are generally needed in this order:

1. Service & Feeder
2. Rough-in/Cover
3. Final
